

## **“Like A Kiss” Lyrics**

Music and Lyrics by Jean Louis Marcel Pedat aka Jay Elle (ASCAP)

### **Verse 1:**

Sometimes a smile  
Is just a smile  
You’ll hear her sigh  
But there’s no reason why  
You’ll catch a glance  
It’s not time to dance  
It’s not the start  
Of some new romance

### **Chorus 1:**

This time I know from the way that you’re looking at me  
There’s more to this  
More to this look  
This look feels like a kiss

### **Verse 2:**

Sometimes a word  
Is just a word  
It means nothing  
But you’ll hear everything  
You’ll see her blush  
And you’ll get a rush  
But it’s nowhere to being a crush

**Chorus 2:**

This time I know from the way that you're looking at me

There's more to this

More to this look

This look feels like a kiss

**Bridge:**

And if she laughs

You'll just go ahead

You'll make your move

When you should have waited instead

Sometimes a laugh

Is just a laugh

Nothing is meant

Or is left to be said

**Chorus 3:**

There's more to this

More to this look

This look feels like a kiss
